

Evacuation plan

Please read the evacuation plan carefully so that you already know how to act in an emergency.

In case of an emergency, always gather in the parking lot next to the hotel. Do not leave there under any circumstances, but follow the on-site instructions of the company emergency officer.

Next to your room door is a map with escape route and the nearest hand fire alarm.

If you have any questions and/or comments, please do not hesitate to contact the reception desk.

WHAT TO DO IN CASE OF FIRE

- Keep calm. Don't panic.
- Report first. Activate the wall-mounted fire alarm by pushing the black button.
- Call the reception (0031222) 316476.
- Leave the building.
- Please check at the assembly point. (the parkingplace from the hotel)

For an emergency evacuation plan from your room and the hotel, see next to your room door.
